

ST. VINCENT'S HAITI PROJECT

Transform your gift giving. Transform your heart.

Together, St. Paul's Episcopal Church-Lakeview, the Diocese of Louisiana, the Diocese of Olympia and The Red Thread Promise want to put the joy back in your holidays.

We are asking you to spend less and give more this holiday season.

Consider giving a gift that is truly transformative to a special needs child at St. Vincent's Center for Handicapped Children and Medical Facility in Port-au-Prince, Haiti.

IMAGINE having more time to spend with your loved ones by avoiding frantic holiday shopping spree.

IMAGINE stretching your budget and making every dollar spent meaningful and fully appreciated.

IMAGINE feeling the complete joy of the holidays instead of the stress of gift-giving.

\$25 provides glasses
\$50 buys casting supplies
\$100 gives beans, rice and water
\$200 provides hearing aids
\$325 ships an all terrain wheelchair
\$500 buys supplies for prostheses
\$1000 provides medical equipment

The purpose of Red Thread Promise is to improve the quality of life for special needs kids so their disabilities will not leave them dependent on others. By meeting their physical needs, these children can live the lives of dignity they deserve. Through your generous support we can continue to make this promise come true for the children of St. Vincent's.

By making a donation in honor of a friend, co-worker or loved one, you will not only change the life of a child, but will also transform your own heart in the process.

A gift to The Red Thread Promise this holiday will not only support the children of St. Vincent's but will also help fulfill the TEC promise to aid in rebuilding of the Episcopal Church and its ministries in Haiti.

YES, I PROMISE to support St. Paul's Episcopal Church-Lakeview's St. Vincent's Haiti Project.
